ATTORNEY GENERAL

Attorney General John N. Mitchell  
Department of Justice  
Constitution Avenue  
Washington, D.C. 20530

Dear Mr. Attorney General:

Enclosed is a photocopy of an article which was published by the Denver Post on December 28, 1969. I have been requested by the Denver Post and friends of Dr. Riha, who is a constituent of mine, to do everything possible to assist in either locating the Professor or in determining additional facts about his disappearance.

It seems to me that the interest of the nation in general and the credibility of the FBI in particular is not well served by the proliferation of a belief that Professor Riha is the victim of some kind of international intrigue, if such is not the case.

Despite the implications found in the Denver Post article, I think it is quite possible that Professor Riha left Boulder because of domestic complications.

In this spirit I last week asked the FBI to provide me, either formally or informally, with a report on what the Bureau has done to locate Professor Riha; I want to last Friday that, aside from a file of inquiries made in Professor Riha's behalf, the Bureau has not looked into the matter and is not conducting inquiries.

I so informed the Denver Post.

However, in the course of similar inquiries to other federal agencies,

This document is prepared in response to your request and is not for dissemination outside your Committee. Its use is limited to your Committee and the contents may not be disclosed to unauthorized personnel without the express approval of the FBI.

Dr. Stephen Fischer-Galati

While I am certain the Vice President would like to be of more assistance to you in this matter and appreciates your concern for your colleague, in the absence of information indicating Federal interest or a violation of Federal statutes, this matter appears to be one solely within the investigative province of authorities in your area.

Sincerely yours,  
J. Edgar Hoover

Above letter written pursuant to referral from the Office of the Vice President. Xerox copy of the original referral and its enclosures being returned with the copy of the letter to the Vice President.

Riha, Czechoslovak-born, naturalized, former professor of Russian history at Colorado University, departed from Denver area March, 1969, without notifying friends, associates, or his estranged wife. His disappearance has been glamorized in recent months by energetic Denver reporter and spiced up with references to a mysterious paramour under whose influence Riha had fallen.

Fischer-Galati, according to Bufiles, was deferred in World War II for psychoneurosis, anxiety type. He reportedly advised State Department in 1950 he was a close friend of the Director's, an untrue statement. He has been in periodic routine contact in the past with the Romanian Embassy and contacts [redacted] of known security significance. He was born in Romania.

[redacted] JFL  
(1)(B)  
He communicated with Justice Department 4/7/69 concerning Riha's disappearance. Justice acknowledged his letter. Fischer-Galati has been mentioned in several press items in the Riha case as an acquaintance and University associate. He is a professor of history, Colorado University. Salutation of Dr. taken from established reference book. Copy of letter being sent to The Vice President's Office by Liaison. CC BEING SENT DENVER OFFICE SEPARATELY.

THOMAS RIHA  
 INFORMATION CONCERNING

Reference is made to letter dated January 8, 1970, addressed to you from Congressman Donald G. Brotzman, Colorado, a copy of which is attached with its enclosure. The Congressman had asked for a reply by January 14, 1970.

On December 31, 1969, pursuant to the Congressman's inquiry, this Bureau advised Mr. Robert Tonsing, his administrative aide, that the FBI had conducted no investigation concerning the disappearance in March, 1969, of Thomas Riha, professor, University of Colorado, Boulder, Colorado, since there were no indications of a violation of federal law within its jurisdiction. This Bureau has no information concerning Riha's whereabouts and has conducted no investigation to locate him. On April 15, 1969, we did inquire of the Central Intelligence Agency if they had any interest in Riha. They did not.

In December, 1969, our Denver Office received a letter from Riha's mother requesting information concerning her son's disappearance. She was advised this was a matter not within the jurisdiction of the FBI. She was told, however, that if she so desired his name would be placed on the FBI's missing persons list. She replied on January 13, 1970, and declined to have his name placed on the list.

The Central Intelligence Agency advised this Bureau on January 13, 1970, that Congressman Brotzman upon inquiry of them had been advised that Agency was not investigating Riha and not using him in any capacity. Central Intelligence Agency had suggested he check with the local police and the FBI but did not tell the Congressman the FBI was investigating subject.

A representative of the Bureau will personally contact Congressman Brotzman on January 14, 1970, and apprise him of the above facts.
